Multi-Language Translation Hangul, Chinese and English are available. # About the Game "Lately, I've been absorbed in the search for possibilities hidden in the Internet. Recently, I've been drawn to the lands that are connected to the link of the shadow world. While swinging the spirit sword freely, I started believing that if I'm armed with the right power, the world will change. Then, I heard about this game, a world of action RPG, but there's just one problem. Besides the fact that I have no play experience, I'm not an expert about video games. I decided to try a game that I have no chance of playing, and it's... The New Fantasy Action RPG # Features ## Story > The Lands Between is a fantasy world, where only a few have the power to awaken the power of the Elden Ring. > In the middle of the Lands Between, a hero will emerge and protect the Elden Ring. > Within the Elden Ring, each user receives a void power in their soul. When this void power is unleashed, the user will become an Elden Lord. ## Game Elements > The variety of the game elements is three times larger than others. > Battle > Skill > Equipment > Magic > Equipment upgrade > Skill upgrade ## Game Play > The Lands Between is a fantasy world, so weapons, armor, and magic will be on display. > It is possible to use weapons, armor, and magic in both single player and multiplayer. > While winning battles, you will receive experience. > You can collect and analyze gold and copper ore from the battlefield. > In addition to battling, you can spend the skill points you've acquired. > You can train and level up skills to increase your combat skills. > You can customize equipment to suit your individual preferences. > It is also possible to find magical weapons, armor, and other items in battles. > It is possible to upgrade equipment and skills in multiplayer. ## Multiplayer > You can join a battle with others. > You can use the experience and money you've accumulated. > You can use the skills you've learned. > You can join a chatroom and communicate with other players. > You

Features Key:

New Features Added

Additional characters such as Solleren, Marspell, Kelligrail, and Metrolast are added to the upcoming release.

Vacuous, also known as Trelic, was born from the original Falcath's embers. In the past, it was rooted in an unknown history and shrouded in mystery. A desolate netherworld from which Valyk started from. The first battle to break back into the upper world during the Chaos Era of 100 years ago. A bastard child of Rule and Chaos. An insect-like race of creatures, the key to the first rule. A monster that absorbs all other creatures. An abbreviation of the original name, Alhadel.

If this woman is to carry on Valyk's bloodline, it is imperative for her to need to protect the most beautiful thing in the world. If I are to be sacrificed in order to survive, it is imperative for her to kill me.

She wants to fight the outside world so desperately that she wants to destroy the outside world through war. She comes up with a territory where she
