FIFA is the biggest global sports franchise in the world, with over 225 million players around the world. FIFA is a series of association football video games created by EA Canada and published by EA Sports. The franchise has been on sale since the late 1990s, starting with the debut FIFA 96 in late 1996. The initial game featured a single game mode, but subsequent games such as FIFA 97 and FIFA 98 have introduced several of the game's major modes such as Leagues, Cups, and International Competitions. FIFA 99 introduced Manager Mode which allows the player to take control of their favorite team for the first time, while EA Sports' FIFA 2000 introduced several gameplay features for the first time, including online multiplayer, exhibition matches, and a soccer TV show. Spin doctor mode has been introduced on FIFA 64, and has been a fixture of the series since.
